# Aging Morphs 3 for Genesis 3 Female(s) & Genesis 3 Male(s)
## Merchant Resource Agreement

Aging Morphs 3 for Genesis 3 Female(s) & Genesis 3 Male(s) may be
used as a Merchant Resource under the following conditions.

## - What you may do -

- You may save as a character\shaping preset in conjunction with your morphs
where users will require the Aging Morphs 3 product in order to work.
Freebies may also be made via this method.

You may convert the HD morph detail into texture maps (such as normal
or displacement) inside your modelling or texture application which can be
used in texture sets where the product is not required. This may only be done for
texture sets sold for Daz3D figures.

## - What you may not do -

-You may not distribute or copy
the morphs from this product in any form.

- You may not create freebies distributing the morphs from this product in
any form.

-You may not create your own merchant resource with the product morphs in
any form.

## Product Morph Location
Actor/Full Body/Real World/Aging Morphs
Actor/Head/Real World/Aging Morphs

To view head and body controllers, click on Aging Morphs root directories as they
are not located in any sub catagory.
